

Awards Assembly

We finished the Spring Term with the Easter Egg-stravaganza Awards Assembly. There were Form Awards, Year Awards, Subject Awards and Principal's Awards. Congratulations to every pupil who received an award. It was a lovely way to end the Spring Term. Our next awards assemblies will be before May half term.

We followed the assemblies with a visit from the Easter Unicorn who joined Miss Taylor to deliver Easter Eggs around school on the last day of term.

Year 10 Football Team

Another two fantastic performances from the year 10 football team last Thursday. We came up against two of the toughest oppositions in Nuneaton and performed like we were the team everyone feared.

A last-minute equaliser against St Thomas More resulted in a 1-1 draw. St Thomas More were a very powerful side who had 3 academy players within their ranks, but the boys stood strong against them and deserved that outcome.

We came straight out the traps in the second game against Higham Lane and took an early 2 goal lead in the first half before Higham Lane really pinned us back in the second. Again, the boys held strong and came out victorious with a 2-1 win.

We topped it off on the way home with a visit to McDonalds to celebrate our success.

Mr Innes

Loudmouth Performance

In the last week of Spring Term all Year 7 pupils had a visit from Loudmouth for an assembly and workshops.

Our Year 7 pupils were praised for their engagement and maturity whilst learning about and discussing some important and challenging topics.

Year 9 will have performances and workshops from Loudmouth this week.

Term Dates 2022-2023

The Term Dates for 2022-2023 are now available on the school website.

Science in Schools Show

On Tuesday 5th April we were very fortunate to have a visiting presenter from the Royal Institute to present the Science in Schools Energy Live Shows. All pupils in Years 7 and 9 attended the performances during the school day. After school we had a CPD session for our science staff followed by a community show. Pupils and parents from Michael Drayton Junior School were invited to attend this evening Science Show. We were fortunate to have this day fully funded with a grant from the Royal Institute to support our pupils to learn more about the wonders of science.

TALK & LISTEN,
BE THERE,
FEEL CONNECTED

DO WHAT YOU CAN,
ENJOY WHAT YOU DO,
MOVE YOUR MOOD
