We would always encourage you to pre-book appointments before attending one of these sites, however there may be a number of which that are operating walk-in appointments. More information on which sites are accepting walk-ins, and when these are being run, can be found at the following link:
<https://www.nhs.uk/service-search/find-a-walk-in-coronavirus-covid-19-vaccination-site>.

As a reminder, if your child has had a positive COVID-19 test, you need to wait before getting any dose of the vaccine. You need to: wait 12 weeks (84 days) if you're aged 12 to 17 years old, or wait 4 weeks (28 days) if you're aged 12 to 17 years old and at clinically considered to be at a high-risk from COVID-19.

The following booking pathways are also applicable to any child that was not able to be vaccinated during the visit by our service to your school during this term, or to any child at a school yet to be visited.

Thank you for your support, and hope you have a good half-term.

Kind regards,
